1. Purpose

- 1.1 This policy supports the Student Code of Conduct (“the Code”) appended.
- 1.2 The Code sets out what the College expects from students as members of the Campion community. All students at enrolment must accept their shared responsibility for maintaining a safe, harmonious and tolerant environment in which to study and work.
- 1.3 The Code details the College’s responsibilities and what students can reasonably expect in terms of quality provision, a safe and fair learning environment and the Campion student experience.
- 1.4 The Code provides a framework for the standard of behaviour expected of students of the College with respect to their:
 - a) academic integrity (in combination with the Student Academic Integrity Policy), and
 - b) general conduct (in combination with the Consumption of Alcohol on Campus Policy, the Acceptable Use of Information Technology Facilities, and SASH Policy).

It outlines the primary obligations of students, and directs staff and students to the code and related procedures.
- 1.5 The Code is underpinned by two primary objectives:
 - a) To foster a learning environment that enables students to achieve their full potential.

- b) To provide a safe environment where students and staff are not threatened, intimidated, harassed, or assaulted.

1.6 Where a student breaches the Code—either through a breach of academic integrity or general misconduct—the College may take disciplinary action. Such matters will be handled in accordance with the Student Misconduct Procedures.

2. Definitions

Academic Integrity means, as according to the Higher Education Standards Framework (Threshold Standards) 2015, ‘the moral code of academia. It involves using, generating and communicating information in an ethical, honest and responsible manner’.

Academic Misconduct means obtaining academic advantage for oneself or for others by dishonest or unfair means. It refers to a breach of academic integrity.

Collusion means conspiring with another student to pass someone else’s work off as one’s own. It refers to students sharing or using assignments; lending assignments to one another for the purpose of copying; acquiring an assignment from someone else in order to plagiarise it; offering to complete another student’s work.

Contract Cheating means when students employ or use a third party to undertake their assessed work for them.

General Misconduct means conduct by a student that is contrary to accepted standards of behaviour at the College including conduct that:

- a) places at risk the health, safety or welfare of any person;
- b) places at risk the ability of the College to provide a learning environment that enables students to achieve their full potential.

Plagiarism means the use of someone else’s ideas and/or words as if they were one’s own. It is one form of academic misconduct. It may take the minor form of a non-deliberate omission of references or poor paraphrasing. It may also take the major form of a deliberate effort to draw upon unacknowledged sources in such a way as to pass off intellectual content and phrasing as one’s own.

Sexual Assault means a range of behaviours, all of which are unacceptable and constitute a crime. Sexual assault occurs when a person is forced, coerced or tricked into sexual acts against their will or without their enthusiastic consent, including when they have withdrawn such consent.

Sexual Harassment means an unwelcome sexual advance, unwelcome request for sexual favours or other unwelcome conduct of a sexual nature which, in the circumstances, a reasonable person, aware of those circumstances, would anticipate the possibility that the person would feel offended, humiliated, or intimidated.
